Attention: Clayn Sonderegger

Dear Clayn,

I wanted to drop you a quick note to thank you for the phenomenal service that Benchmark Construction gave us. Specifically, Shawn and Ron provided superior service at every level of our building project. Their communication and support throughout the project really exceeded our expectations, and made the process so much smoother. They were both readily available and willing to answer any questions and help problem solve. Their great attitudes throughout the project made the project enjoyable.

Thank you so much for providing us with such great service. We enjoyed the opportunity that we had to work with Shawn and Ron.

Sincerely,

Angel K. Schultze
