Attention: Clayn Sonderegger

Clayn,

Just wanted to drop you a quick note to thank you for the outstanding service Benchmark Construction and more specifically, Keith and Shawn have provided Home Federal Bank on the last several building projects. Both Keith and Shawn have provided an outstanding level of service on every project we have worked on together and I continually receive compliments from within our organization on how painless they have made the building and remodel process for Home Federal Bank. Whenever I have had any questions or concerns, Keith and Shawn have been very approachable and have left me feeling like we are working together as a team as opposed to an owner/contractor relationship.

Selecting a contractor who sets the "standard" for others to follow was definitely the right choice for us. Thank you for your team's outstanding service and I look forward to continuing to work with Benchmark in the future.

Sincerely,

Ralph Brenner
Purchasing and Facilities Manager
